DRAFT SUBMISSION NOTE.

...

The starting pay of Rs.40 for the First Division Clerks of the General and Revenue Secretariat under the existing scale is found by experience to be too inadequate to attract graduates for employmer in this office with the result that many vacancies arising from permanent clerks prc ceeding on leave etc. have had to be left unfilled to the detriment of work. Two Law graduates were recently entertained on an initial pay of Rs.70 and four more are now available for employment on the same salary But it is considered inexpedient to make this departure from the rules to any large extent.

2. The subject was considered in Council on the 9th August 1917 and they are of opinion that pending orders on the proposals regarding the re-organization of th grades of pay of the clerical appointments in the General and Revenue Secretariat, graduate clerks may, as a temporary measure be started on the initial pay provided in the Re-organization Scheme for the First Division, viz., Rs.50 per mensem.

3. The Financial Secretary who was consulted in the matter is of opinion that it is financially objectionable to start graduates on Rs.50 so long as the minimum pay of the grade is Rs.40 . But it is

proposed to fix the initial pay at Rs.50 as already stated. If even this does not prove sufficiently attractive, other measures shall have to be thought of.

4. In view of the circumstances explained above, the recommendation of the Council may be graciously sanctioned

Dww 15/8/17

The market value of graduates depends upon the number available - At present there is a shortage of supply - The initial pay of Rs 50/- now recommended may be in force for three years from this date after which the question may be reconsidered —
